How cool is it to take an outdoor power bank with you to camp

Overview

I've been testing the best power banks for camping in several ways over multiple years. I've taken them on car camping trips, exposing them to sun and wind, with temperatures dropping down into the forties at night. I've used the chargers for numerous purposes, including. After testing out a number of the best power banks in a range of sizes, I'm confident that most people will get the power needs they are looking for with the Anker 511 Portable Powerstation or the Scosche PowerUp 32K. If you're confident that you'll just need a.
